PO Box 77000
Nelson Mandela Metropolitan University
Port Elizabeth
6031

Tel: 041 504 2550 / 504 3182 / 504 3058

Website: www.nmmu.ac.za/finaid

Please include your student number in all correspondence.

Although great care has been taken in the compilation of this booklet, the university cannot accept responsibility for any inaccuracies that may appear in it. Information has been supplied by the sponsors of the bursaries and enquiries should be directed to the contacts supplied by the sponsors.

Introduction

This booklet has been compiled by NMMU's Financial Aid Office to assist prospective and current undergraduate and honours students with information on available sources of funding for their studies. We know that university study can be expensive and at NMMU we strive to assist as many students as possible with accessing financial assistance to ease the burden on students and their families.

NMMU offers various forms of bursaries and loans, including our scholar and student merit awards which reward top academic performance. We also administer funds from corporate donors and from the National Student Financial Aid Scheme (NSFAS). NSFAS funding is specifically aimed at assisting needy students who display academic merit.

This booklet also contains information on funding available from a wide range of companies, foundations and other organisations, which is awarded based on academic merit, financial need, or both. Some awards are made to specific categories of people, or to students studying in particular fields only, while others are more widely applicable.

We advise students to study this booklet carefully and to apply for as many possible sources of funding for which they qualify, to give them the best chance of receiving financial assistance.

Students are also urged to watch the university notice-boards regularly for information on available funding.

Students are invited to contact the Financial Aid Office at any time for assistance and advice regarding funding for their studies at NMMU.

Good luck with your studies!

Official provisions and conditions for bursaries:

- ▶ Undergraduate bursaries are not awarded automatically. They must be applied for, by sending an application to the address of the organisation administering the bursary. These addresses are listed in this booklet.
- ▶ Students applying for bursaries administered by NMMU must attach a complete official academic record to their applications. Should any qualification have been obtained at another university, the relevant academic records must also accompany their application.
- ▶ **No incomplete or late forms will be accepted.**
- ▶ Bursaries administered by NMMU are usually paid out in two instalments.
- ▶ Students who cancel their studies could forfeit any bursaries that may have been awarded to them. The University may claim reimbursement of the amount paid out to the student.
- ▶ Before applying to an outside organisation, applicants must make sure that they meet the minimum requirements set by that organisation.
- ▶ Applications for bursaries administered by bodies other than NMMU must be forwarded to the relevant organisation/company that administers the bursary, not to the university.

Where else to find information about financial assistance?

Information is also available from libraries and career information centres. Guidance and career counsellors, financial officers and student recruitment officers can be of great help in this regard. Check bookstores for books on careers and financial aid options. Most banks give student loans.

Information on bursaries, loans and awards

Before embarking on their studies, students need to do proper financial planning and explore all the available financial avenues. Students should apply for bursaries from other sources outside the NMMU as well.

It is advised that students applying for assistance at NMMU should **not assume** that the application will be successful as the number of applications far exceeds the funds available. Awaiting the outcome of the application does not relieve students of the obligation to settle their debt by the due dates.

NMMU offers three types of financial assistance for full-time students, namely:

- ▶ Bursaries administered by NMMU using funds provided by donors or trustees.
- ▶ Bursaries and study loans administered by other organisations, to which applications must be directed.
- ▶ NSFAS loans.

Academically deserving and financially needy students have the opportunity to apply for a loan from the National Student Financial Aid Scheme (NSFAS), part of which can be converted to a bursary, subject to academic results.

Study loans do not always cover tuition fees in full. This will be determined by the family's financial need. Financial aid administered by NMMU will firstly be used to cover any outstanding NMMU financial commitments of the student.

Financial aid applications

Applications for financial assistance from funds administered by NMMU must be made on a Financial Aid Application form. These forms and further information can be obtained from the Financial Aid offices. Completed application forms, along with all the supporting documents, must be submitted to the Financial Aid office. Ensure that the application is correctly completed in order to avoid any delays when the application is processed.

Only SA citizens may apply for funds administered by NMMU.

NMMU will acknowledge receipt of the application form. Students are advised to retain the confirmation slip. For application forms sent via mail, students should keep a copy of the form and the details of the date of mailing it to NMMU.

Faxed application forms will not be accepted.

Receiving the acknowledgement that the application has been received by NMMU does NOT imply that the student will qualify or receive a bursary or NSFAS loan.

Awaiting the outcome of the application does not relieve students of the obligation to settle their debt by the due dates.

CLOSING DATES

Applications should be made in the year **prior** to the studies for which the bursary is required, by the closing date supplied in the information for each bursary.

APPLICATION RESULTS

The Financial Aid Committee of NMMU determines the successful candidates after the exam results become available in December or June. Applicants will thereafter be informed of the outcome by post.

NMMU bursaries/loans

SCHOLAR MERIT AWARDS

Matriculants can automatically qualify for a Scholar Merit Award based on their final Grade 12 results. The award is for one year only. No application form is required as the university identifies these students based on the final matric results of students accepted by the university as supplied by the Department of Education. Prospective students can also hand in a copy of the final matric results to the Financial Aid office.

CRITERIA FOR SCHOLAR MERIT AWARDS:

Grade 12 must have been completed not earlier than in the three years preceding registration at NMMU. Prospective students must be enrolling for the first time at a university. Only South African citizens can qualify.

CALCULATION OF SCHOLAR MERIT AWARDS:

Calculation of merit point is the total of the points allocated per subject i.e maximum of 7 subjects.

Points	NSC Percentages
8	90% to 100%
7	80% to 89%
6	70% to 79%
5	60% to 69%
4	50% to 59%
3	40% to 49%
0	0% to 39%

Total Merit Point	Amount: Degree/Diploma
50 and above	R 16 000
48 - 49	R 13 000
46 - 47	R 11 000
44 - 45	R 8 000
42 - 43	R 6 000
38 - 41	R 4 500

LEADERSHIP MERIT AWARDS:

Head prefects of schools (or LRC President in cases of no Head Prefect) meeting the above criteria, could have their merit award topped up to R10 000 (i.e. 38 to 45 points). Applicants above 45 points will not qualify for an additional award. Head prefects with less than 38 points qualify for R4 000.

The University reserves the right to adjust the above awards.

STUDENT MERIT BURSARIES

NMMU students can automatically qualify for merit bursaries. These awards are based on the results of the preceding year of study. No application is required as students are identified for these awards, using the following criteria: Students must have:

- ▶ Passed first time round all modules registered for;
- ▶ Been registered for a minimum relative course weight of at least .800 (or 96 credits).
- ▶ Have attained a weighted average mark of at least 70%

NB: Exempted courses are not included in the minimum relative course weight or credit value for merit award purposes. The value of the bursary is not a fixed amount and is determined on the available budget. These awards are only for undergraduate studies and students proceeding onto BTech. Students intending to register for honours studies must apply for the bursaries on the prescribed form before 1 November of the year preceding honours studies.

SPORT BURSARIES

The NMMU Sport Bureau offers sport bursaries of varying amounts to sport performers who have demonstrated the ability to play sport at a high level of competition. Sport bursaries are awarded to students by the Sports Bureau. Application forms are available from their office.

Closing date: Before the end of October each year

Bursary application forms can be obtained from the Sport Bureau:

e-mail: krish.williamson@nmmu.ac.za

Tel: 041 504 2555 or 041 504 2165

NMMU ADMINISTERED BURSARY TRANSFERS

Recipients of NMMU bursaries are excluded from paying the tuition initial payments, provided that written confirmation of financial assistance is received prior to registration and that the amount exceeds the required initial payment.

The cancellation of studies/modules will result in the reversal of the bursary allocations and the student will be liable for the entire account balance. Refunding of credit balances are subject to confirmation by fund administrators.

NMMU Vice-Chancellor's Scholarship

The Vice-Chancellor recently introduced a premier scholarship to top achievers in the country. The first Vice-Chancellor Scholarships were awarded to the top academic achievers who registered for study at NMMU in 2010. The scholarship, valued at R60 000 a year is renewable for each year of a first NMMU undergraduate degree or diploma, provided academic performance remains of the highest standard. Up to 30 Vice-Chancellor Scholarships will be granted each year.

The scholarship will cover registration and tuition fees, reasonable accommodation costs, the average cost of books and other study material, meals, and the cost of transportation to and from home. Any remaining balance will serve as a personal allowance. Vice-Chancellor Scholarship students will have access to other benefits and opportunities that will enhance their academic experience and leadership development.

The general guideline for selection would be that grade 12 learners should obtain an NMMU Academic Point Score (APS) of at least 49 or more in the final grade 12 exam results in order to qualify for the scholarship. A provisional list of recipients is compiled based on results in the final grade 11 examination. Candidates may be nominated by their School Principal or by a Dean of an NMMU faculty, before the indicated closing date.

For more information, contact Christelle Feyt at Marketing & Corporate Relations on (041) 504 3084

National Student Financial Aid Scheme (NSFAS)

NSFAS is a government loan scheme, with the added incentive of a bursary conversion (maximum of 40%) depending on academic performance.

The purpose of these loans is to assist students who have the academic potential to succeed, but who do not have the financial means to gain access to tertiary institutions. The loan is determined according to a means test. As loans do not necessarily cover all costs, students are encouraged to seek additional funding from other sources. The family is also expected to make a contribution towards the student's studies.

ACCESSING NSFAS FUNDS

Applicants wanting to apply for a NSFAS loan are encouraged to apply in good time.

Application must be made on the prescribed application form BEFORE the closing date of 30 October each year and 30 SEPTEMBER for continuing students. Application forms are available from all Financial Aid Offices as from May each year. Incomplete application forms or applications without the required documentation will not be considered.

Should you qualify for a loan, you will be informed in writing by the 15 December of your minimum Expected Family Contribution (EFC), provided you applied before the due date.

APPLY TO:

NMMU Financial Aid Office

PO Box 77000

Nelson Mandela Metropolitan University

Port Elizabeth 6031

Tel: 041 504 2550 / 504 3058 / 504 3182

Recipients of NSFAS loans are excluded from paying the tuition initial payments, provided that written confirmation of financial assistance is received prior to registration and that the amount exceeds the required initial payment.

The cancellation of studies/modules will result in the reversal of the bursary/loan allocations and the student will be liable for the entire account balance. Refunding of credit balances is not allowed.

Bursaries awarded by sponsors

Abe Bailey Travel Bursary

The objective is to broaden the views of young South Africans by enabling OUTSTANDING South African students / junior lecturers who show exceptional leadership qualities and a strong service ethic, through an all-expenses-paid three week educational tour to the United Kingdom. Furthermore, the intention with this bursary is to:

- ▶ Effect greater understanding and co-operation among those with various language and cultural backgrounds;
- ▶ Foster enterprise, commitment and effective participation in a common future;
- ▶ Promote South African unity.

The credo of the Abe Bailey Trust: “Leadership Development with the emphasis on Nation Building”

The following conditions apply:

- ▶ Nominees shall be students of not less than two years standing or members of the staff of junior lecturer status;
- ▶ Nominees must be of South African nationality;
- ▶ Nominees must be aged 25 or less at the start of the tour;
- ▶ Applicants should have a sound academic record;
- ▶ Applicants must have been involved in leadership roles within the university, schools and/or community;
- ▶ Applications will be subjected to a selection process.

SHOULD YOU MEET THE CRITERIA AND WISH TO APPLY FOR THIS PRESTIGIOUS BURSARY, THE FOLLOWING DETAILS MUST BE SUBMITTED TO THE FINANCIAL AID OFFICE, SOUTH CAMPUS (there is no application form as such):

- ▶ A personal letter of motivation as to why you are applying.
- ▶ A recent CV.
- ▶ Three letters of reference.
- ▶ Copies of ID, matric certificate and university academic record.
- ▶ Details of leadership roles in the community, at school and university.
- ▶ Usually one award is made per Institution.

Closing date: 30 April

Apply to: NMMU Financial Aid Office
